Ethics Awareness

The Key to an Ethical Workplace

“It takes 20 years to build a reputation and five minutes to ruin it.” ~Warren Buffett

- Awareness is the most effective way to change human behavior
- A few bad apples can bring down an entire organization
- Identify the causes of unethical behavior
- Identify the rationalization trap
- Eight concrete factors to consider when faced with an ethical conundrum

This program is an investment for every organization with a strong interest in protecting their reputation.

ENDORSEMENTS

“Serious message... very entertaining delivery.”

~GARY HUNERYAGER
VP, OGE Energy

“Andy has been a favorite guest speaker at Chesapeake for several years now. His sessions on Influence, Professional Image and Critical Thinking are highly requested and always well attended. Andy offers a unique blend of humor, insight and thought-provoking content.”

~KATE BEAVIN
SPHR, CPLP; Director –
Training and Development
Chesapeake Energy
Corporation

“Through humor and challenging topics, Professor Urich promotes thinking in the most positive way — by self examination.”

~ DOUG GOTTLIEB
CBS Sports

“Talk about a tough crowd! Professor Urich spoke to over 450 lawyers and insurance professionals at our national conference in Denver. He delivered practical and useful advice in a very entertaining presentation. In fact, numerous members endorsed him as the best presenter we have ever had in the history of our association. I would highly recommend Professor Urich to any organization.”

~ WARREN L. SIEGFRIED, J.D.
Program Chair
Trucking Industry Defense
Association

“No matter the audience, Andy brings a message that challenges the listener. Through the presentation of a different perspective, Andy changes the way you see things. Furthermore, his style and delivery relay techniques that stick with you. People remember Andy Urich.”

~ GALEN MARTENS
Senior VP - CFO
First Oklahoma Bank

“Fabulous class. I laughed and I learned.”

~ Dr. RAJ BASU
VP of Academic Affairs
OSU-Tulsa
